Vintage Triumph Register

Club History

WPTA was founded in September of 1977 as the Western Pennsylvania Centre of the Triumph Register of America (WPCTRA). The organization was formed to encourage the preservation, maintenance and enjoyment of the Triumph TR2/3 series. A few years later the club's focus was expanded as the Western Pennsylvania Triumph Association (WPTA) to include all Triumphs, in association with both the Vintage Triumph Register and the Triumph Register of America. The original ideals were to encourage monthly participation in meetings and social events planned around the Triumph Marque. The club motto became "good times, good friends and Triumphs!" In 1995 the club was Incorporated as a Non profit organization.

Club Today

Currently, WPTA provides year-round activities for its 170-plus members. The emphasis is not only on driving, but a variety of other activities which appeal to the membership, including sporting, social and travel events. The club promotes driving safety through tune-up clinics to prepare for the upcoming driving season, and offers "on going" technical advice through its membership base. The club holds monthly business/social meetings throughout the year. WPTA and its member-volunteers stage the annual British Car Day held in conjunction with the Pittsburgh Vintage Grand Prix at Schenley Park, Pittsburgh PA.. As a full sponsor of the PVGP, the club contributes a sizable donation to the Grand Prix Charities annually. Although the foremost interest and focus of the club is still Triumphs, ownership is not a requirement, and all British car enthusiast are invited and encouraged to join. All moneys collected for dues or the sale of club paraphernalia are used strictly for club functions and the production and distribution of the newsletter.
